A high-level delegation from the Zimbabwe Revenue Authority (ZIMRA) is currently undertaking a benchmarking mission at Jamaica Customs to support ZIMRA's implementation of the Zimbabwe Electronic Single Window (ZeSW).

During the opening meeting held at Customs' headquarters in Kingston on Monday (Nov. 7), the team expressed their intent to learn from JCA's successful implementation of the Jamaica Electronic Single Window for Trade (JSWIFT).

The delegation is expected to visit various locations, among them, JSWIFT Project Office, the JCA Data Centre Facility, and Trade Board Limited.

CEO/Commissioner, Velma Ricketts Walker; Deputy CEO (Border Protection), Marlon Lowe; Deputy CEO (Operations), Selina Clarke Graham; Chief Information Officer, Andre Williams; and members of the ISD and JSWIFT teams were all present for the opening meeting.
